LETTER

Sir:

On November 15, 2001 we mailed to the U.S. Patent Office some formal drawings.

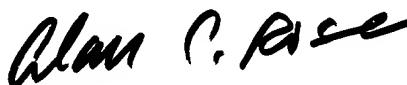

As a result of improper marking of the wrong docket number on the drawings by our Patent Draftsman, we erroneously sent to the Patent Office some drawings relating to another application.

We are enclosing herewith the correct drawings associated with this application, and request that you expunge the drawings mailed to the Patent Office on November 15, 2001, from the patent application file.

The Commissioner is hereby authorized to credit overpayment or charge any fee deficiencies to Deposit Account No. 16-2230.

The cooperation of the Patent Office relative to this matter will be appreciated.

Respectfully submitted,
